

# All About Adjectives

# Introduction

Today we are going to learn  
all about adjectives.

# Question Time

How many parts of speech  
do you know?

# Adjectives

Adverbs are used to describe a noun. They tell you what kind or how many.

# Adjectives

When used in writing,  
adjectives add detail to the  
text for the reader.

# Adjectives

Colors and numbers can be used as adjectives when they are describing a noun.

# Example

He has a red hat.

Red is the adjective.

# Example

Red describes the word hat,  
showing what kind of hat the  
subject has.

# Example

I have seven eggs.

Seven is the adjective.

# Example

Seven describes the word hat, showing how many eggs the subject has.

# Quiz Time!

Which word is the adjective?

The small turtle walked slowly to  
the pond.

# Quiz Time!

Which word is the adjective?

Yesterday, the large bird flew  
over my head.
